MANO XXL

The super large opto-electronic magnifier with front camera

MANO XXL offers a super large display of 10" in attractive design and a modern look like a tablet with a continuous magnification of up to 32x.

Due to the auto focus and the high resolution FullHD camera, all text and pictures are being displayed in razor sharp quality and contrast enhanced. Take a snapshot and magnify it in the comfort of your individual needs, and/or change contrast. An additional front camera brings you into the position to look at yourself while hairdressing or doing make up. Performing handwritten tasks, using distance viewing and/or mirror function are just a few more features that can be comfortably done by using the comfortable reading/writing stand.

Intuitive navigation via joystick is comfortable and makes operation easy.
Connect MANO XXL with an external monitor or TV via the integrated HDMI port and look at your photos or documents at an even higher magnification level.
